

PRESENTATIONS 2019

OKLAHOMA STATE-ADOPTED TEXTBOOKS

FIVE OKLAHOMA LOCATIONS CONVENIENT FOR YOUR STAFF

Dear Administrators and Teachers,

This year we have scheduled five (5) days with one of those days in the Oklahoma City Area and one day in the Tulsa area. Ten (10) publishers will be representing CTE, Early Childhood, ELA, ESL, Handwriting, and Remedial Reading. Enclosed is the presentation schedule. We urge all local school district committee members and teachers to attend. These presentations allow educators to view most of the adopted materials all in one day. If your school district evaluation options include attending these presentations, please release your staff to participate. Please share this information with all school personnel.

In order to coordinate scheduling and room size, we would appreciate your RSVP on this Google Document link <https://goo.gl/forms/ObnGZ2GQir36jUd53>. Attendance is still allowed without an RSVP, but if you know you will attend, we would appreciate advance notice.

If you have specific questions regarding these presentations, you may contact either Thompson School Book Depository at 800-456-2828 or Archway at 888-820-4100.

For a complete listing of the new instructional materials, you may go to the Oklahoma State Department of Education website at www.oktextbooks.ok.gov or contact Ms. Timmie Spangler, Director of Instructional Materials for the Oklahoma State Department of Education.
